## Certificate III in Landscape Construction

(Superseded)

NATIONALLY RECOGNISED  
TRAINING

Become a trade **Qualified Landscaper** making the outdoors your office.

This qualification is offered as a blended learning program, consisting of formal classroom and workplace based training and assessment, over a six (6) month to three (3) year duration, depending on experience.

Use your passion and creativity to pave your way to a new career in Landscape Construction. This multiskilled qualification will provide you with knowledge and skills in identifying plants, weed control and construction works.

### JOB OPPORTUNITIES

Technicians &  
Trade Workers

Labourers

Managers &  
Sole Traders

### BENEFITS

- Obtain a nationally recognised qualification
- Achieve your qualification onsite with real world experiences
- This Qualification along with specific elective units of competencies, meet the requirements for the **QBCC** Structural Landscaping Licence
- Obtain high quality training from industry trainers

### FUNDING

Funding is available for eligible participants under the Skills Assessment and Gap Training (SAGT) Initiative, funded by Construction Skills Queensland (CSQ). As well as the User Choice Program, which is a public funding contribution towards the cost of training and assessment for eligible QLD apprentices and trainees.
