

RII30120

Certificate III in Surface Extraction Operations

Become trade **Qualified** in the Resource and Infrastructure industry as a skilled **Surface Extraction operator**.

This qualification is offered as a blended learning program, consisting of formal classroom and workplace based training and assessment, over a six (6) month to three (3) year duration, depending on experience.

Building on your current skills or getting site ready, become skilled and knowledgeable in an open cut mine or quarry, as a production operator. You will learn about risk management, machine operation and environmental and heritage concerns.

JOB OPPORTUNITIES

Machine Operator

Quarry Leading Hand

Open Cut Coal Miner

FUNDING

Funding is available for eligible participants under the User Choice Program, which is a public funding contribution towards the cost of training and assessment for eligible QLD apprentices and trainees.

BENEFITS

- Obtain a nationally recognised qualification
- Achieve your qualification onsite with real world experiences
- Obtain high quality training from industry trainers
