

RII30920

Certificate III in Civil Construction (Pipe Laying)

Become a trade **Qualified Civil Construction Worker** with a focus on **Pipe Laying** in a prosperous industry.

This qualification is offered as a blended learning program, consisting of formal classroom and workplace based training and assessment, over a six (6) month to three (3) year duration, depending on experience.

As part of the qualification, you will learn about installing underground pipes on civil construction projects and gain experience in the use of multiple tools and equipment.

JOB OPPORTUNITIES

Technicians &
Trade Workers

Labourers

Machine
Operators

BENEFITS

- Obtain a nationally recognised qualification
- Achieve your qualification onsite with real world experiences
- Obtain high quality training from industry trainers

FUNDING

Funding is available for eligible participants under the Skills Assessment and Gap Training (SAGT) Initiative, funded by Construction Skills Queensland (CSQ). As well as the User Choice Program, which is a public funding contribution towards the cost of training and assessment for eligible QLD apprentices and trainees.
